ON 07-22-17 WHILE ON A WRIT FROM THE WISCONSIN DEPARTMENT OF CORRECTIONS,
I finished a visit with a family member and since I was "High Max"
I had to be escorted in restrained due to jail rules. while I was
being escorted by officer Joshua Larmay he said something about me
spitting on him. I got upset and told him to not say that
because that is the reason why I am on a writ in the first
place. CO Larmay got upset and pushed me against the wall
and began to bang my head against the wall. He then pushed
me into the cell in which I put my hands outside the trap
because officer Larmay put my handcuffs so tight I
began to lose feeling not only in my hand but in my arm too.

Larmay left and I was left there for about 45 mins in so much pain I began to cry. I started to puke because I ended up having a concussion. when I got back to Prison my two attorneys already had found out about what happened, (Brittney Lafond and Laura Nelson) when I got back to the Wisconsin Resource Center I was taken into a room and pictures were taken By a Supervisor. Til this day I have damage in both of my arms and my mental damage causes me not to trust any correctional officers. I am afraid I will be assaulted again by any officer. I can't tell them my mental state which is very dangerous for me cause I have mental issues. This assault did worse to me then I have ever thought.
